

AXIS P9106-V Network Camera

Full coverage from any corner

AXIS P9106-V Network Camera provides out-of-the-box optimized corner-to-corner coverage in 3 MP without any blind spots. It is enclosed in a vandal-resistant (IK10) and dust- and waterproof (IP66) casing. The abrasion- and chemical-resistant front window is easy to clean or replace, for efficient maintenance. AXIS P9106-V Network Camera is available in two variants: a brushed steel model with no visible screws which blends in with elegant spaces, such as elevators and commercial interiors, and a white model designed to be anti-ligature and anti-grip, ideal for classrooms, waiting rooms, and observation rooms in mental healthcare or custody cells.

- > Out-of-the-box optimized field of view in 3 MP resolution no blind spots
- > Elegant and compact design in brushed steel or white finishes
- > Vandal-resistant (IK10) and IP66-rated dust protection
- > Compatible with PoE over 2-wire devices for elevator installations
- > Support for Portcast devices such as AXIS T61 Series for two-way audio
