

# AI-DRIVEN SECURITY RESULTS-DRIVEN VALUE

Honeywell 35 Series IP Security Cameras:  
NDAA compliance with built-in AI analytics

**Honeywell**

# HONEYWELL 35 SERIES IP SECURITY CAMERAS

Amp up the security of your premises with intelligent video surveillance from the Honeywell 35 Series: Cameras made especially for small-to-medium sized businesses and sites.

Our most cost-effective cameras use built-in AI analytics to give you a smart set of extra eyes at all hours.

The 35 Series is available in a wide range of form factors and resolutions, offering exceptional visual clarity, flexible system integration, secure data transmission, and easy installation.

Superior HD image quality up to 8MP

Flexible surveillance

Onboard video storage

Smart motion detection and analytics

Easy to install and use

**5 YEAR**  
WARRANTY

ONVIF® | SGT

# SMART CAMERAS SAFE BUILDINGS

Traditional motion detection is simplistic: It just looks for pixel changes. Understandably, this leads to a higher rate of false alarms.

The 35 Series uses an AI algorithm that knows what it's looking at, so that you only receive alarms when a person or vehicle is seen. We call that smart motion detection. You'll call it peace of mind.

## NDA SECTION 889

Ensure you remain eligible for government programs and funding.

Honeywell 35 Series IP Cameras contain no content or material from any companies or their subsidiaries prohibited under US National Defense Authorization Act (NDAA) Section 889, and can be used as part of video systems that comply with NDAA Section 889.

## STAY COMPLIANT

- ONVIF Profile S, G, T compliant
- Stream encryption: When integrated with MAXPRO™ or 35 Series network video recorders (NVRs), your data is protected from end to end with AES256 encryption

## 35 SERIES NVRs

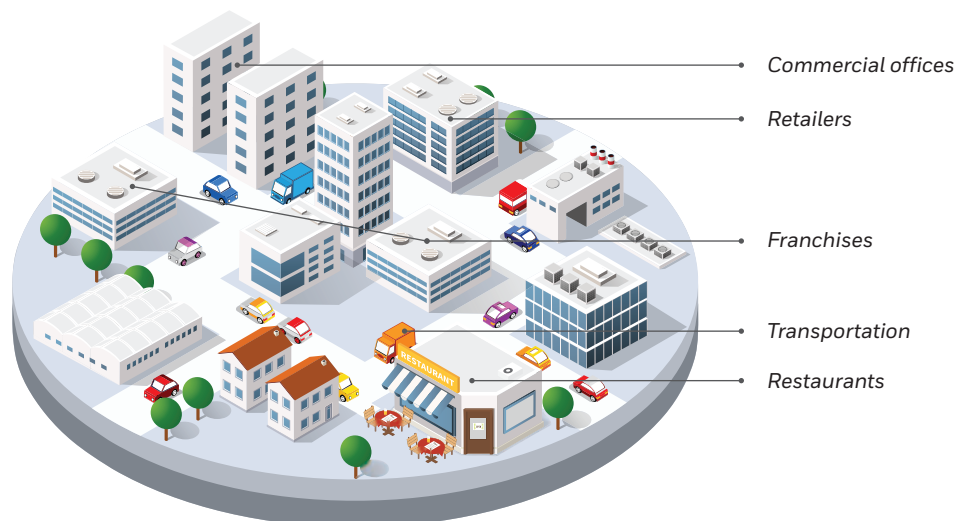

### Reduced Liability Costs

Introducing the Honeywell 35 Series Embedded NVRs, a new, robustly-featured, NDAA Section 889 compliant NVR solution which delivers 4K HD (UHD) video resolution at a cost-effective price and can grow with your business. Choose a 4, 8, or 16 channel NVR with multiple hard drive options and up to 10 TB of internal storage for an ideal and flexible solution to meet your NDAA Section 889 compliant surveillance needs.

## ARTIFICIAL INTELLIGENCE FOR REAL SECURITY

Protect your premises. Prevent shoplifting, theft, fraud, and vandalism. And get early alerts of suspicious activity.

The Honeywell 35 Series is your intelligent eye indoors and outdoors, purpose-built for offices, gaming, civic buildings – small and medium sites of every variety.
